

About JZCP

JZCP is a London listed private equity fund which invests in high quality US and European micro cap companies. It receives investment advice from Jordan/Zalaznick Advisers, Inc. ("JZAI"), which works with the existing management of micro cap companies to help build better businesses, create value and deliver strong returns to investors.

Investment Objective

JZCP seeks to create a portfolio of investments in businesses in the United States and Europe, providing a superior overall return comprised of a current yield and significant capital appreciation.

Recent Events

- On 28 October 2014, JZCP declared a semi-annual dividend of US \$9.5 million, or 15 cents per share. This will be paid on 28 November 2014.

Disclaimer

This Monthly Fact Sheet updates as of 30 September 2014 various information as to JZCP and its investment portfolio available from third parties whilst continuing as of 31 August 2014 the valuations shown above (and as included in the NAV) for Micro-Cap and unquoted Unaffiliated Mezzanine investments as reported in the Condensed Interim Reports & Financials Statements issued 28 October 2014. Before making investment decisions, investors should consider that the value of JZCP's investments, and the income from them, may go down as well as up and is not guaranteed; that the market price for JZCP shares, depending on supply and demand, may trade at a discount to NAV; and that past performance cannot be relied upon as a guide to future performance. Investors should also consult with their own independent financial and tax advisers when making investment decisions. Although issued and approved by JZCP, this Monthly Fact Sheet does not constitute a solicitation or advice to buy or sell any security.
